

Parent Commitment Form

The Children's Literacy Center, a 501(c) 3 non-profit community organization, provides individual assistance to students who are reading below grade level. Our curriculum is appropriate for children who are reading at the second semester 1st grade through 6th grade levels (middle school and high school students welcome). The Peak Reader program is **not appropriate** for children who are currently enrolled in an IEP at school or has special education needs.

Enrollment is available at **no cost** to families.

Our tutors are community volunteers. They undergo an application and background screening process and are trained to use the Peak Reader curriculum. A qualified site coordinator is present during all tutoring sessions.
